CV-Pre-Screening for your company

Find the right talents with a few steps

Are you looking to attract and employ candidates? We are here to help you saving time and resources while connecting you with students who are interested in joining your organization.

Based on criteria given by you we evaluate the top talents. We are able to access more than 5'000 profiles of HSG students on our database.

Your Investment

CHF 1'900.- exkl. VAT. for up to
10 profiles

How it works

- ✓ Post your job ad on our career platform my.hsgcareer.ch.
- ✓ You choose from a selection of criteria to define the right profile.
- ✓ We will contact these candidates to find out if they would like to join you - if they agree we will send you their profiles.
- ✓ You will take over from here and contact the students who are interested.
